

Name: _____

Comparing fractions

1. Without using Fractions Lab, order these fractions from smallest to largest.

$$\frac{3}{4}$$

$$\frac{1}{3}$$

$$\frac{11}{22}$$

$$\frac{5}{4}$$

$$\frac{1}{6}$$

2. Now check your answer using the compare box in Fractions Lab. You will need to compare two fractions at a time.

3. Write your final decision about the order here:

4. Explain the strategy you used in Fractions Lab to compare and order the fractions.

5. If the order changed, explain how your thinking changed when you used Fractions Lab.
